5 QUICK QUESTIONS

Check if workplace health and safety professionals are right for the job by asking these five quick questions:

1. Which professional association do you belong to - can you confirm this?
2. What qualifications and/or certification do you have?
3. What relevant skills and experience do you have for this job?
4. Can you give me examples of similar work you have done recently?
5. Are you happy for us to contact your clients about your work for them?
